

THE HISTORY OF

YELLOW RIBBON DAY

An RFBAQ initiative, Yellow Ribbon Day is a way of acknowledging the commitment and dedication that over 26,000 rural fire brigade volunteers provide to Queensland.

Yellow Ribbon Day is the physical way that politicians, councils, business and members of the public can show support for all Rural Fire Brigades and the volunteers who wear the yellow coat and ride the yellow trucks.

Not tied to any claims and not as a fundraiser, the intent of the day is to engender a positive conversation, which is now supported by RFSQ Area Offices supplying yellow ribbons.

The RFBAQ has supplied many thousands of pre-cut ribbons to brigades and volunteers (free of charge) who have requested them as well as supplying ribbons to the Kedron Park complex and RFSQ Area Offices.

Support rural fire brigades and wear a yellow ribbon Tuesday 16th September 2025

YELLOW RIBBON DAY 2025

Show your support for the 26,000+ brigade volunteers who protect 93% of Queensland.

Bushfire, Flood or Cyclone - The 1,400 Rural Fire Brigades across the State protect communities from disasters.

Show your support for the unpaid professionals who wear the yellow coat and ride the yellow trucks by wearing a Yellow Ribbon.
