	1 r18885		Bundaberg	Central	7.10.25			y					01.07.23	1500		air con belt broken, wrapped around attenuator	
	2 r18833		Bundaberg	Central	15.09.25	y	y						01.05.25	927	17	240v input - magnet has fallen out of plastic wrap + 240v active light not functioning	
	3 r18833		Bundaberg	Central	15.09.25	y				y			01.05.25	927	17	pump control panel constantly flickers, tachometer bouncing around	
	4 r18833		Bundaberg	Central	15.09.25	y							01.05.25	927	17	deluge warning lights come on in truck when driving	
	5 r18833		Bundaberg	Central	15.09.25	y	y	?					01.05.25	927	17	AMT temperature alarm. If AMT was placed in neutral alarm stopped, if in hgear alarm sounded.	
	6 r18833		Bundaberg	Central	15.09.25	y				y	y		01.05.25	927	17	delay on high pressure is longer than 10 seconds	
	10 r18746		Fraser Coast Cooloolo	Central	04.07.25	y				y	y					high pressure attenuator belt failure	
	10 r18841		Fraser Coast Cooloolo	Central	04.07.25	y		y		y	y					high pressure attenuator belt failure	
	10 r19173		Fraser Coast Cooloolo	Central	31.08.25			y		y						pump failure - PTO shaft sheered	
	10 r18841		Fraser Coast Cooloolo	Central	01.08.25			y		y	y					high pressure bung missing	
	10 r18834		Fraser Coast Cooloolo	Central	08.09.25											reversing camera intermittent	
	14 r18746		Fraser Coast Cooloolo	Central	1.09.25	y	y	?					01.03.25			AMT fault on dash. Unable to change out of first gear	
	15 r18834		Fraser Coast Cooloolo	Central	08.09.25			y								reversing camera not working	
	16 r18841		Fraser Coast Cooloolo	Central	01.11.24			y		y	y					high pressure housing is missing, pump issues water from bottom of housing	
	17 r19173		Fraser Coast Cooloolo	Central	31.08.25			y		y			01.11.23		3425	PTO pump makes grinding sound. Pump unable to be used	
	18 r18841		Fraser Coast Cooloolo	Central	04.07.25	y				y	y		01.11.24		1986	145 high pressure attenuator belt failure	
	18 r18746		Fraser Coast Cooloolo	Central	10.04.25	y				y	y			12.24	851	high pressure pump losing pressure	
	20 r18746		Fraser Coast Cooloolo	Central	10.04.25	y				y	y			12.24	851	high pressure attenuator belt failure	
	26 r18746		Fraser Coast Cooloolo	Central	17.09.25	y	y	?		y	y		01.03.25			AMT fault on dash. Unable to change out of first gear

	34 r18843		Gladstone	Central	18.06.25	y		y		y	y				1713	high and low pressure pump failures	
	35 r18843		Gladstone	Central	18.06.25	y				y					1713	pump could not be started from rear control panel, could be started from inside cab	
	36 r18843		Gladstone	Central	18.06.25			y		y	y					high pressure bung missing	
	37 r18843		Gladstone	Central	18.06.25	y				y						broken on/off low pressure ignition switch on rear control panel	
	38 r18843		Gladstone	Central	18.06.25											repeat of line 37	
	40 r18739		Rockhampton	Central	21.07.25			y					14.10.24		1898	green in cabin clock light flickers with bumps in road - very distracting for driver	
	41 r18739		Rockhampton	Central	21.07.25								14.10.24		1898	repeat of line 40	
	42 r18830		Rockhampton	Central	30.10.25								07.07.23		800	no fault found	
	43 r18739		Rockhampton	Central	20.06.24								20.06.24		2607	completed and checked by brigade	
	44 r18735		Townsville	Northern	17.10.25			y		y					7500	PTO hydraulic fluid leak - 3 times now - no slack to allow for vehicle movement.	
	45 r18735		Townsville	Northern	10.10.25	y	y								7222.9	elec control module failure	
	46 r18735		Townsville	Northern	28.10.25			y								broken wire on dashboard	
	47 r18735		Townsville	Northern	28.10.25											repeat of line 46	
	58 r18741		Townsville	Northern	11.06.25	y				y	y		11.06.25			loose bolts attenuator mounting	
	64 r18741		Townsville	Northern	21.10.25			y				y				hose reel insecurity	
	68 r18741		Townsville	Northern	20.01.25	y								2024		water tank sensor goes off randomly	
	70 r18741		Townsville	Northern	20.01.25	y				y	y			2024		high pressure belt / bearings screaming	
	71 r18741		Townsville	Northern	20.01.25			y						2024		loose wiring clips next to hose reel	
	73 r18741		Townsville	Northern	20.01.25			y						2024		sharp edges on side of hose reel needs to be de-burred	
	75 r18741		Townsville	Northern	20.01.25	y								2024		deluge active light intermittent over bumps	
	77 r18741		Townsville	Northern	20.01.25			y						2024		hydrant filling blew top off water tank	
	78 r18741		Townsville	Northern	06.05.25			y						2024		auxiliary engine belt slipped	
	80 r18741		Townsville	Northern	11.10.25			y				y	04.11.24		4000	LP + HP loose bolts	
	81 r18749		North West Gulf	Northern	07.04.25	y		y								siren control does not work, high beam = park lights	
	82 r18750		Mackay	Northern	27.05.25	y		y						2024		electronic gauges on on pump flickering: water tank is swelling and contracting	
	83 r18750		Mackay	Northern	27.05.25	y				y	y			2024		HP runs for about 5 seconds and then stops	
	84 r18750		Mackay	Northern	27.05.25	y				y	y			2024		240v charger input tripping / HP attenuator belt broken	
	85 r18750		Mackay	Northern	27.05.25									2024		repeat of line 84	
	86 r18750		Mackay	Northern	20.09.25	y		y		y	y		01.04.25			high pressure pump failure	
	87 r18750		Mackay	Northern	13.10.25			y		y	y		01.04.25			HP bracket welds failure	
	88 r18750		Mackay	Northern	20.10.25	y							01.04.25			water tank sensor goes off with over 1/2 tank of water	
	89 r18750		Mackay	Northern	22.10.25			y				y				hose reel bolts	
	90 r18750		Mackay	Northern	13.10.25			y		y	y		01.04.25			HP bracket failure	
	95 r18750		Mackay	Northern	07.10.25			y				y				LP hose reel disconnected from truck	
	122 r18811		Townsville	Northern	17.10.24	y				y	y			2024		HP starts, pressurises then stops	
	123 r18811		Townsville	Northern	17.10.24									2024		repeat of line 122	
	124 r18811		Townsville	Northern	17.10.24									2024		repeat of line 122	
	125 r18811		Townsville	Northern	02.04.25			y		y	y			2024		plastic plug blew out on use	
	126 r18836		North West Gulf	Northern	09.09.25			y				y				prior to delivery RHS rear hose reel not bolted through the RHS bearing carrier, hose reel will not roll up as the chain has no tension due to not being bolted in	
	128 r18837		Townsville	Northern	21.10.25							y			4.24	2065	hose reel bolts
	134 r18838		Mackay	Northern	22.10.25			y				y	01.01.25			hose reel bolts recall	
	135 r18840		Townsville	Northern	21.10.24	y	y							2024		once vehicle is disconnected from 240v red light on dash, constant buzzer, unable to engage drive	
	136 r18840		Townsville	Northern	09.04.25					y	y			2024		loud screeching noise when HP is turned on	
	137 r18840		Townsville	Northern	21.10.25			y				y				hose reel bolts recall	
	138 r18840		Townsville	Northern	17.10.24			y				y	2024			HP hose reel, cover of wheel lateral winding mechanism grinding on shaft	
	145 r18871		Savanna	Northern	24.07.24			y					31.01.24		3468	hose reel stuck at 3/4 and could not be reeled up or unreeled. Found to be off set cog	
	146 r18871		Savanna	Northern	24.07.24								31.01.24		3468	repeat of line 145	
	147 r18871		Savanna	Northern	24.07.24								31.01.24		3468	repeat of line 145	
	148 r18871		Savanna	Northern	24.07.24								31.01.24		3468	repeat of line 145	
	156 r18871		Savanna	Northern				y			y				7800	hose reel is aluminium and has pieces breaking off and there are more cracks appearing	
	187 r18871		Savanna	Northern	16.06.25	y							23.02.24		9000	sound/volume not working on radio/navigation head unit	
	194 r18871		Savanna	Northern	29.01.25	y	y	y						4.22		240v light staying illuminated, micro switch faulty, broken mounts on 24v battery charger	
	204 r18871		Savanna	Northern	26.02.25	y							31.01.24			reverse camera full of water	
	211 r18877		Mackay	Northern	22.10.25			y				y	01.01.25			hose reel bolts recall	
	212 r18880		Mackay	Northern	07.11.25	y				y	y		01.08.23			HP pumping at over 5,800psi, gun rated for 4,000psi	
	216 r18880		Mackay	Northern	03.11.25			y		y	y		01.08.23			plastic debris in water tank has blocked HP strainer, loose bolt on rake how bracket.	
	217 r18884		Mackay	Northern	22.10.25			y				y	01.11.24			hose reel bolts recall	
	218 r19160		Mackay	Northern	22.10.25			y				y	01.01.25			hose reel bolts recall	
	220 r19178			Northern	25.02.25	y		y						1.22		several brake lights out	
	221 r18748		Scenic Rim	South Eastern	16.10.25	y							16.10.25			deluge active light intermittent over bumps	
	222 r18876		Scenic Rim	South Eastern	16.10.25	y							16.10.25			low fuel light and alarm constantly on irrespective of how full the fuel tank is.	
	223 r18745		Moreton	South Eastern	25.02.25	y							23/24		520	1.5 AMT warning light activates at any speed for 10-20 seconds then turns off for 10-20 seconds then cycle repeats	
	224 r18745		Moreton	South Eastern	25.02.25	y							23/24		520	1.5 high beam = park lights	
	225 r19155		South Coast	South Eastern	02.10.25	y							15.07.25		785	LED light bar has elec faulty, activates spontaneously and would not turn off	
	226 r19155		South Coast	South Eastern	02.10.25	y				y	y		15.07.25		785	HP cuts out intermittently or fails completely, mechanic has replaced pulleys and belts, but issue persists	
	227 r18738		Sunshine Coast	South Eastern	18.03.25	y				y	y			2024	300	2 truck does not charge batteries, HP is surging and not able to maintain pressure	
	229 r18745		Moreton	South Eastern	07.04.25	y							2024		700	240v not charging batteries when plugged in. Vehicle pulling current when isolator turned on, drained batteries	
	230 r18844		Moreton	South Eastern	24.03.25			?					2024		2150	locks into 4wd and will not disengage	
	231 r18844		Moreton	South Eastern	04.06.25	y				y	y		2024		4042	large crack in alternator mounting bracket, bolts missing. HP failing to start	
	232 r18844		Moreton	South Eastern	02.04.25	y				y			2024		2150	pump switch in cab does not activate pump, turns on scene lights	
	233 r18844		Moreton	South Eastern	24.03.25	y		?					2024		2150	appliance will not change down in manual mode. Change down required in souf ground to keep momentum	
	234 r18844		Moreton	South Eastern	24.03.25	y		?					2024		2150	vehicle would not travel forward in low range, reversed 2 appliance lengths and then would drive forward	
	235 r18844		Moreton	South Eastern	24.03.25	y		?					2024		2150	appliance travelled in reverse even when forward selected	
	236 r18844		Moreton	South Eastern	16.06.25	y				y	y		2023			HP not operational, broken drive belt	
	237 r18844		Moreton	South Eastern	24.03.25	y	y	?					2024		2150	transmission overheats in 4WD. Allow to sit at raised idle to cool	
	238 r18738		Sunshine Coast	South Eastern	18.03.25											repeat of line 227	
	239 r18829		Moreton	South Eastern	06.05.25	y				y	y		2025		300	1 HP is cycling off when hose is in use and will not restart until pump is turned off and on. Water leak from output of pump	
	240 r18887		Sunshine Coast	South Eastern	06.05.25	y				y	y		2025		300	1 HP is cycling off when hose is in use and will not restart until pump is turned off and on	
	250 r18874		Toowoomba	South West	09.10.25	y				y	y		29.05.25		1216	HP fault. Pump does not have power to run pump	
	251 r18883		Toowoomba	South West	30.10.25									2024	1557	no fault found	
	253 r18874		Toowoomba	South West	09.10.25								29.05.25	</
